

Fifth International Staff Training Week, University of Ferrara, Italy
6 – 10 June 2016

This year's event will focus on: ***Credit transfer and recognition procedure after an international exchange.***

As well as offering a general framework programme for all of you, we would also like to give you the chance to be involved in an enriching international and intercultural experience within your specific field of work hoping for an interactive participation from all of you.

Furthermore, we invite all participants to prepare a presentation about a specific successful practice (**preferably concerning the topic of the event**) to be shared during the *Staff Week*.

We would like to underline that the work language will be **English**.

For your application we ask you to kindly fill in the following online-form by **April 29th, 2016**: <http://www.unife.it/studenti/internazionale/staff-training-week/international-staff-week-application>

On this second link you will find a draft of our programme, the webpage will be constantly updated in order to provide any kind of practical information: <http://www.unife.it/studenti/internazionale/staff-training-week/international-staff-training-week-2016>

Please note that there are no participation fees however participants are expected to cover their own travel, food and accommodation costs (with the exclusion of coffee breaks, closing brunch and other activities specified in the programme).
