

CURRICULUM VITAE ET STUDIORUM

IOANNIS N. KATSIKIS

(November, 2012)

Summary

Mr Ioannis N. Katsikis is an Innovation Engineer (BEng in Innovation Management & Technology Policy). He holds an MSc in Environmental Policy & Management and an MBA: Business Process Management, both from the University of the Aegean, Greece. He is also the holder of an MPhil in Architecture and Space Planning from the School of Architecture at the National Technical University of Athens. Currently, he is a Doctoral Researcher at the Management Science Laboratory of the Dept. of Management Science & Technology in the Athens University of Economics & Business, where he also serves as the Chief Knowledge Officer. At the same time, he works as an Academic Tutor at the National and Kapodistrian University of Athens and also, since 2005 as a freelance Strategic Management Consultant. He has gained valuable experience by participating in major international R&D projects and offered consulting services to national governments (Greece, Romania, Georgia, Turkey) and international organizations (BSEC, EU) while he has been a Research Advisor of the European Commission (DG Enterprise and Industry). He has published more than 160 research papers in academic journals, edited books, and international conferences (such as AOM, SMS, EGOS, EURAM, BAM, ERSA). He has worked for the National Bank of Greece, the European Commission and for Agro Brokerage. He has received three international awards in recognition of his research (AoM, BAM, ERSA). His scientific interests include Strategic Management, Entrepreneurship, Innovation, Science and Technology Policies, Knowledge & Technology Management and Sustainable Regional Development.
